Information COVID-19

Portugal is on this date in a state of alert extended under the terms of the Resolution of the Council of Ministers no. 34-A/2022, of 28 March, due to the epidemiological situation caused by the COVID-19 disease, qualified by the World Health Organization as an international pandemic. The Government intends that there is still a justification for the extension of the declaration of the state of alert over the whole continental territory until April 18th, 2022. Even if the state of alert is not extended until the date set for this General Shareholders Meeting, it is not expected that on that date the national and international situation will be sufficiently normalized to allow the free movement of people and the Annual General Shareholders Meeting to be held in conditions that are safe for the health of all participants.

REN cares about the safety of its employees, members of corporate bodies, shareholders and other stakeholders, and has been following strict public health measures in the performances of its activities since the beginning of the current pandemic and intends to do the same in the organization and holding of its Annual General Shareholders Meeting, following the experience of the General Shareholders Meetings of previous financial years.

In accordance with article 377(6), paragraph b) of the Companies Code, non in person general meetings are allowed, providing that the meetings can be held by telematic means, unless otherwise stated in the articles of association, and the company must ensure the authenticity of the declarations and the security of the communications, registering their content and the respective intervening parties.

Bearing in mind the above, REN will hold its Annual General Shareholders Meeting **exclusively by telematic means**, promoting early voting by shareholders, by postal or electronic correspondence and by electronic means. Please note that, for technical and security reasons, shareholders must exercise such voting rights before the meeting. Shareholders who have exercised their right to vote prior to the meeting may, however, change the direction of their vote during the meeting according to the terms of the Notice. In order to totally assure the right to information, this will be ensured also by telematic means, as described in the Notice to Convene.
